

Dear Members or Members-to-Be,

Good News! I'm excited to share the following news regarding tax-deductibility of Membership Packages in support of Red River Theatres!

The Finance Committee of our Board of Trustees has been working hard to make membership more attractive for those of you who generously support our efforts, with the result that your Membership is now fully-tax deductible, if, of course, taking a full deduction is appropriate for your tax situation (something upon which only your tax preparer can advise you).

The change involves a behind-the-scenes segmentation of membership "packages," (to which our "memberships" henceforth will be referred), wherein your contribution is deductible up to \$75 per person on the membership. Higher level memberships are divided now into "up to \$75" per person membership, plus an additional fully-deductible "gift."

Tax deductions for Membership Packages over \$75 consist of tax-deductible membership(s) for the appropriate number of members involved (Grip - 3, Supporting and Leading Actor - up to 3), up to \$75 per person, plus an additional donation, totaling to the level of support (\$25, \$275, and \$775 respectively).

It is my sincere hope that those of you who have been donating beyond membership, to support our Annual Fund and other special projects, will continue to do so, and not consider this change, designed to make membership more attractive, as your additional totally tax deductible gift for the year. In other words, Red River Theatres still needs your support BOTH ways!

Please note also that ticket prices for non-Members are increasing on October 6th, 2017, so your Membership will save you from this additional expense every time you attend a film. Red River Theatres is a registered 501 (c)(3) non-profit, tax EIN 02-0521681.
